*Explore the Use of Cloud Environments at Your Institution*

SELECT A STRIDES INITIATIVE PARTNER

Learn from the NIH STRIDES Initiative team about the different industry-leading STRIDES Initiative partners available to your institution.

SET UP YOUR ACCOUNT

Your NIH-funded researchers with active grants will work with your selected STRIDES Initiative partner to set up a STRIDES Initiative account.

USE THE CLOUD FOR BIOMEDICAL RESEARCH

Your NIH-funded researchers can now begin using the cloud environment for computation, storage, and data analysis.

ENROLL IN THE STRIDES INITIATIVE

Engage with your preferred STRIDES Initiative partner to begin the enrollment process for your institution and start experiencing the available services and benefits.

CONFIGURE YOUR CLOUD ENVIRONMENT

Your STRIDES Initiative partner will equip your NIH-funded researchers with the resources they need to set up their cloud environment.

Cloud training opportunities and professional services are available on an ongoing basis.
